#### Requirements

Materials/items shall be packed in final shipping containers such that only one lot of material/items is in each container, and the containers shall be marked with the lot number of their contents. Lot numbers shall be legible, in a conspicuous location on the container, and large enough to be readable from a distance of 10 feet. The Seller's name and if applicable, the facility shall also be prominently displayed on the container. The Seller shall also comply with any additional marking requirements dictated on the Purchase Order.
