#### Requirements

Government Source Inspection is required for the items covered under the Purchase Order prior to shipment from the Seller's facility. Upon receipt of the Purchase Order, the Seller is directed to promptly notify the Government representative that normally services the Seller's facility so that appropriate planning for Government Inspection can be scheduled. A copy of the Purchase Order must be made available upon request to the Government representative. In the event that the Seller cannot locate the Government representative, the Seller shall notify the GD-OTS Buyer.
