Non-Production Part Marking

Revision History

REV.	CN #	DATE INCORP.	NOTES
-	40764	02/27/2019	Initial Release

Requirements

With each shipment of items covered by the Purchase Order, items and container(s) are to be marked "Not for Production". GD-OTS buyer can provide guidance on specific marking requirements.

Documentation (CofC) should also reflect that hardware/material is "Not For Production"
