Requirements

When specified on the Purchase Order, items delivered under this purchase order shall conform to (GD-OTS customer) specification as indicated below. The supplier is responsible to meet all of the requirements listed on the purchase order, the PWB master drawing, the listed specification(s) and this document. PWA suppliers who have this requirement listed on their purchase order shall flow it to their PWB suppliers. The assembly supplier shall submit completed, required, forms and reports to GD-OTS for approval.

SQR 49 – RMS specification 61488, Tier II PWB Requirements applies

SQR 49A – RMS specification 61494, Tier III PWB Requirements applies
