Requirements

Every lot of ammunition/explosive loads shipped shall require the submission of data that complies with the requirements of the most current revision of MIL-STD-1168. The Supplier shall use one of the following methods to provide data necessary to comply with MIL-STD-1168:

1. Supplier submits a DD1650 form with each shipment to provide ammunition/explosive lot data. Supplier should refer to Instructions provided in Data Item Description DI-MISC-80043A, referenced in MIL-STD-1168, to complete Product Data Form entries.
2. Supplier provides a supplier-generated ammunition/explosive lot data form with each shipment, provided it contains the applicable data referenced in DI-MISC-80043A and MIL-STD-1168.
