

# HOW TO PREVENT THE SPREAD OF COVID-19

With water & soap for 20 seconds

With 60% alcohol when soap & water are not available

Highly touched surfaces, i.e. buttons, door handles, phones

Nose, eyes & mouth with unwashed hands

When going into public places

Keep 6ft apart from others, do not gather in groups

With individuals who are sick

Unless you need medical attention

Even off the clock, remember to keep doing your part to prevent the spread!  
**THANK YOU FOR KEEPING YOU AND YOUR COWORKERS SAFE**
