

**Q607 Supplier Audits (Rev 01/08/18)**

The Seller and all of Seller's subcontractors, at any tier, shall accommodate GD-OTS audits. Periodically, GD-OTS will facilitate a system, process, and/or product audit at each subcontractor's facility. These audits may include Government representatives depending on the complexity of the product, the size of the facility, and the content of the audit. The activity may require several days to complete. A minimum of twenty (20) calendar days advance notification will be given to the Seller. GD-OTS and Seller will negotiate a mutually agreeable schedule. Audit follow-up visits will be scheduled and conducted, if required.
