

**Q756 - Obsolescence and DMSMS (Rev 06/03/20)**

The Supplier shall develop and maintain an Obsolescence and Diminishing Manufacturing Sources and Material Shortages (DMSMS) management program to ensure continued availability of high quality and reliable parts, assemblies and materials throughout the performance of this contract.

The Supplier's DMSMS management procedures shall address proactive forecasting and associated design tradeoffs to minimize life cycle vulnerability. Reactive efforts shall address cost effective solutions for DMSMS events, including obsolescence identified during fabrication or in fielded units. Seller shall flow the substance of this clause to its subcontractors, including this sentence, changing the relationship of the parties as appropriate to preserve the intent of the words.
