Q143–Notification of DCMA Request for Corrective

Requirements

Upon receipt and/or notification of a DCMA Corrective Action Request (CAR) that impacts product supplied to GD-OTS including notification for system level CARs that may not be related to a specific product the supplier shall provide notification to the GD-OTS buyer within 24 hours and forward a copy of the CAR to GD-OTS.

A copy of the CAR response submitted to DCMA shall also be submitted to GD-OTS upon submission to the DCMA. GD-OTS shall also be notified of any changes in due dates for submission of the response to the DCMA.
