Q201–GD-OTS Quality Mgmt Sys Requirements-AS9100

Requirements

The Seller shall provide and maintain a Quality Management System (QMS) that complies with AS9100, Quality Management Systems - Requirements for Aviation, Space and Defense Organizations. The Seller shall demonstrate compliance for the life of this contract by:

- providing GD-OTS with a copy of current AS9100 registration certificate and all subsequent updates;
- or periodically passing an AS9100 compliance audit performed by GD-OTS representatives.

The Seller shall ensure that products and services provided by outside suppliers comply with all Seller and GD-OTS requirements. Compliance with the provisions of this clause in no way relieves the Seller of the final responsibility to furnish acceptable supplies and/or services as specified herein.
