Acceptance of the Goods or Services covered by this Purchase Order will not constitute acceptance by Buyer of Seller's terms and conditions. Any of the following acts by Seller shall constitute acceptance of this Purchase Order and all of its terms and conditions: Signing and returning a copy of this Purchase Order, delivery of any of the Goods or Services ordered, informing the Buyer in any manner of commencement of performance, or returning Seller's own form of acknowledgment. The face of the Purchase Order may require written acknowledgement and acceptance of the Seller.

Invoicing: Seller shall invoice in triplicate, with supporting documentation with each shipment. An additional copy, with its support, is to be mailed directly to the Purchasing Representative. Payment of invoices shall not constitute acceptance of Goods or Services, and shall be subject to appropriate adjustment should Seller fail to meet the requirements for this Purchase Order. If such inspection or testing is made on Seller's premises, Seller shall provide without additional charge all reasonable facilities and assistance for such inspections and test. In its internal inspection and testing of the Goods, Seller shall, if required by Buyer, use an inspection system accepted by Buyer in writing. All inspection records relating to the Goods shall be available to Buyer during the performance of this Purchase Order, and for such longer periods as may be specified by Buyer in its acceptance of the inspection system, if any.

b. Final inspection and acceptance by Buyer shall be at destination unless otherwise specified in this Purchase Order. Such inspection shall be in accordance with the stated requirements of this Purchase Order. If rejection of a shipment would result from Buyer's normal inspection level under such procedures, Buyer may, at its option, conduct an above-normal level of inspection, up to 100% inspection, and charge the Seller the reasonable costs thereof.

c. No inspection (including source inspection), tests, approval (including design approval) or acceptance of the Goods shall relieve Seller from responsibility for any defects in the Goods or other failures to meet the requirements of this Purchase Order, for latent defects, fraud, such gross mistakes as amount to fraud, and Seller's warranty obligations. If the Goods are defective or otherwise not in conformity with the requirements of this Purchase Order, Buyer may, by written notice to Seller: (i) rescind this order as to such Goods; (ii) reject such Goods and require the delivery of replacements. Deliveries of replacements shall be accompanied by a written notice specifying that such Goods are replacements. These warranties, and all other warranties, express or implied, shall survive delivery, inspection, acceptance, and payment.

In addition to any other rights Buyer may have, if Goods are found not to be as warranted within a period of one (1) year after acceptance by Buyer, Buyer may return such Goods to Seller at Seller's expense for correction, replacement or credit, as Buyer may direct. Any Goods corrected or furnished in replacement shall from the date of delivery of such corrected or replacement Goods, be subject to the provisions of this Clause for the same period and to the same extent as Goods initially furnished pursuant to this Purchase Order.

In addition to any other rights Buyer may have, if the Services are found not to be performed as warranted within a period of one (1) year after the conclusion of the performance of the Services by Seller, Seller shall, at Buyer's option, either refund to Buyer the amount paid for the Services, or perform the Services again in a proper manner to the extent necessary to provide Buyer with the result originally contemplated by Buyer.

**COUNTERFEIT GOODS:** In addition to all other warranties provided under this Purchase Order, Seller warrants that any and all Goods delivered hereunder are new and not refurbished or used, are being supplied by the Original Manufacturer (OM) (Original Equipment Manufacturer (OEM), Original Component Manufacturer (OCM), Contact Manufacturer) or their expressly authorized dealers (Authorized Aftermarket Manufacturer, Authorized Dealer, Authorized Supplier, as defined in DFARS 252.246-7007 and 252.246-7008), agent or distributor, and that Seller has documented traceability of the Goods or components to the aforementioned sources.

All counterfeit parts received by Seller must be reported to Buyer immediately.

Seller shall be liable to Buyer for any damages, costs, penalties, judgments or fines against Buyer to the extent caused by Seller's failure to meet all requirements of this Clause and, at Buyer's election, Seller may also be required to deliver suitable replacement Goods traceable to the OM, meeting all OM specifications. The remedies in this section shall apply regardless of whether the warranty period or guarantee period has ended, and are in addition to any remedies available at law or in equity. Seller shall include the substance of this clause in all of its sub-tier contracts with its suppliers providing electronic parts, assemblies containing electronic parts, or performing authentication testing, in support of this Purchase Order.

Seller is required to review all materials and components which are necessary for the functionality or production of the Goods being sold under this Purchase Order and disclose annually whether any of the Conflict Minerals are present, and if so, those that originated in the DRC, and to provide a chain of custody if the Conflict Minerals do originate from the DRC. The Seller shall determine the country of origin (where the materials were originally mined and processed) or whether the minerals originated from scrap or recycled sources. PROPRIETARY INFORMATION.** All written information obtained by Seller from Buyer in accordance with this Purchase Order and which is identified as proprietary by Buyer shall be received in confidence and shall remain the property of Buyer, and shall be used and disclosed by Seller only to the extent necessary for the performance of this Purchase Order except that upon prior written notice to Buyer, Seller may use such information in the manufacture of end items for direct sale to the U.S. Government to the extent that the U.S. Government has the right to authorize such use by Seller, and, provided that Seller, to the extent practicable, prominently identifies such end items as being manufactured by Seller for direct sale to the U.S. Government.

**9. SUBCONTRACTS.** Seller shall not subcontract for all or substantially all of this Purchase Order without Buyer's prior written approval.

**10. COMPLIANCE WITH LAWS.** Seller warrants that in the performance of this Purchase Order it will comply with all applicable provisions of the Walsh-Healey Public Contracts Act (41 U.S. Code 35-45) and FAR 52.222-20, the Davis-Bacon Act (40 U.S. Code 276a-7), the Contract Work Hours and Safety Standards Act (40 U.S. Code 327-333) and FAR 52.222-4 and the Copeland ("Anti-Kickback") Act (18 U.S. Code 874 and U.S. Code 276c), together with the regulations issued thereunder. **11. LIEN WAIVERS.** Seller shall furnish, upon Buyer's request, waivers by Seller and all other persons entitled to assert any lien rights in connection with the performance of this Purchase Order.

**12. INDEMNIFICATION AND INSURANCE.**

a. Unless Buyer approves in writing a self-insurance program of Seller, the Seller shall maintain at Seller's cost, with insurers of nationally recognized stature, insurance (i) fully covering all furnished property, and (ii) covering, in amounts customary for prudent and conservative businesses, all other liabilities, whether to Buyer or others, that might be incurred in any way related to this Purchase Order. If requested by Buyer, Seller shall cause Buyer and Buyer's customer to be added to Seller's insurance as additional insured. Seller's insurance shall be primary to any insurance coverage procured by Buyer. On Buyer's request, Seller shall furnish Buyer with evidence of Seller's compliance with any aspect of this Clause.

b. Notwithstanding the existence or lack of insurance and as an unrelated matter, Seller shall defend, indemnify, and hold harmless Buyer and Buyer's customer from any losses, claims, demands, or suits (including those from Seller's employees) for bodily injury (including death) or property damage howsoever arising out of Seller's performance of this Purchase Order and irrespective of Buyer's negligence in any degree.

c. All work to be performed on this Purchase Order by Seller is at Seller's risk as to the methods, processes, procedures, and safe conduct of the work. If Seller is to perform work on the premises or within facilities owned or controlled by Buyer, Buyer's customer, or any other entity, Seller shall be solely responsible for the safe conduct of such work and the protection of the premises or facilities, and of any persons on the premises or facilities. Seller shall defend, indemnify, and hold harmless Buyer, its employees, agents, or subcontractors, and invitees for and against all losses, claims, damages or suits, including those suffered or brought by Seller's employees, for bodily injury (including death) or property damage and which arise from performance of the work by Seller, its employees, agents, invitees, or subcontractors, irrespective of Buyer's negligence in any degree.

d. In no event shall Buyer be liable, for any reason or arising from any cause whatsoever, for special, incidental, or consequential damages.

e. Seller, to the extent not covered by the foregoing paragraphs of this Clause, shall defend, indemnify, and save Buyer harmless, against and from any demands, decisions, judgments, orders, awards, costs and expenses, including attorney fees, arising from or incurred in resisting any claim, demand, or asserted right of Buyer's customer based on any act or omission by Seller under or in any way related to this Purchase Order or to any step leading to this award of this Purchase Order.

f. **13. ASSIGNMENT.** Seller shall not assign this Purchase Order or any rights under this Purchase Order without the prior written consent of Buyer, and no purported assignments by Seller shall be binding on Buyer without such written consent.

**14. NOTICE OF LABOR DISPUTES.** Whenever an actual or potential labor dispute delays, or threatens to delay, the timely performance of this Order, Seller shall immediately notify Buyer in writing of all relevant information with respect to such dispute.

**15. RETENTIONS.** Buyer may, at its option, withhold payment of up to ten percent (10%) of the total value of this Order or individual invoices until Seller satisfactorily fulfills all documentation requirements herein; i.e., provides all required objective quality evidence, submits required data items, and fulfills all other reporting requirements.

**16. PUBLICITY.** Seller shall not make or authorize any news release, advertisement, or other disclosure which shall deny or confirm the existence of this Purchase Order without prior written consent of Buyer.

**17. CHANGES.** This Purchase Order and the terms and conditions herein may not be changed in any respect without written approval of Buyer. Buyer may, at any time, by written change order, suspend performance of this Purchase Order, in whole or in part; make changes in the drawings, designs, specifications, method of shipment of packing, or time or place of delivery of the Goods; reschedule the Services; or require additional or diminished Goods or Services, and Seller shall proceed diligently with the performance of this Purchase Order as so changed irrespective of whether a price adjustment has been determined as provided by this Clause. If any such change causes an increase or decrease in the cost of or the time required for performance of this Purchase Order, an equitable adjustment shall be made in the Purchase Order or delivery dates or both, and this Purchase Order shall be modified in writing accordingly. Any claim for adjustment under this Clause may, at Buyer's option, be by Seller

deemed to be absolutely and unconditionally waived unless asserted in writing (including the amount or the claim) and delivered to Buyer within thirty (30) days from the date of receipt by Seller of the change order, except where an extension is granted in writing by Buyer. If the cost of property made obsolete or excess as a result of a change is paid by Buyer, Buyer may prescribe the manner of disposition of such property. Buyer's engineering and technical personnel are not authorized to change the Goods or Services ordered or any other provision of this Purchase Order. No change order will be binding on Buyer unless issued by an authorized representative of Buyer's procurement department. Nothing in this Clause shall excuse Seller from proceeding with the Purchase Order as changed.

**18. TERMINATION. NOTE: If this purchase order relates to a Government contract, delete subparagraphs a & b (below) and substitute FAR 52.249-6 Termination (Cost Reimbursement).**

**a. Without Cause.** Buyer may terminate, for its convenience, all or any part of this Purchase Order at any time by written notice to Seller. Upon such termination settlement shall be made in accordance with the principles contained in Federal Acquisition Regulation (FAR) 52.249-6, Termination (Cost Reimbursement) in effect as of the date of this Purchase Order, and in which "Contracting Officer" means Buyers' Purchasing Representative and Government means "Buyer" except in paragraph (m) except that Seller must submit any claim for equitable adjustment or termination to Buyer within forty-five (45) days after the effective date of termination, or such claim shall be absolutely and unconditionally waived. All references to and the right of appeal under the Disputes Clause of FAR 52.249-6 are hereby deleted.

**b. With Cause.** If Seller fails to make delivery of the Goods, or fails to perform the Services, in accordance with the delivery dates specified in this Purchase Order, or fails to make progress so as to endanger performance of this Purchase Order in accordance with its terms, and does not cure such failure within ten (10) days after notice from the Buyer, Buyer may (in addition to any other right or remedy provided by this Purchase Order or by law) terminate all or any part of this Purchase Order by written notice to Seller without liability and purchase substitute goods elsewhere, and Seller shall be liable to Buyer for any excess cost occasioned Buyer thereby. Seller shall continue performance of this Purchase Order to the extent not terminated pursuant to this Clause 18(b). Except with respect to defaults of subcontractors at any tier, Seller shall not be liable to Buyer if the failure to perform this Purchase Order arises out of causes beyond the control and without the fault or negligence of the Seller. If the failure to perform is caused by the default of a subcontractor at any tier, and if such default arises out of causes beyond the control of both the Seller and subcontractor, and without the fault of negligence of either of them, the Seller shall not be liable to Buyer unless the Goods or Services to be furnished by the subcontractor were obtained from other sources in sufficient time to permit the Seller to meet the requirements of this Purchase Order.

If this Purchase Order is terminated as provided in this Clause 18(b), the Buyer, in addition to any other rights provided herein, may require the Seller to transfer title and deliver the Buyer (i) any completed Goods, and (ii) such partially completed Goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights as the Seller has specifically produced or specifically acquired for performance of this Purchase Order.

If, after notice of the termination of this Purchase Order "with cause," it is determined that the failure to perform is due to causes totally beyond the control and totally without the fault or negligence of the Seller, such notice of default shall be deemed to have been issued pursuant to Clause 18(a) hereof, and the rights and obligations of the parties hereto shall be governed by Clause 18(a).

**19. NO WAIVER.** The failure of Buyer to insist upon the performance of any provision of this Purchase Order, or to exercise any right or privilege granted to the Buyer under this Purchase Order, shall not be construed as waiving such provision or any other provision of this Purchase Order, and the same shall continue in full force and effect. If any provision of this Purchase Order is found to be illegal or otherwise unenforceable by any court of other judicial or

administrative body, the other provisions of this Purchase Order shall not be affected thereby, and shall remain in full force and effect.

**20. AMENDMENTS AND APPLICABLE LAW.** No agreement or understanding to modify this Purchase Order shall be binding upon the Buyer unless in writing and signed by Buyer's authorized agent. All specifications, drawings, and data submitted to Seller with this Purchase Order are hereby incorporated herein and made a part hereof. Irrespective of the place of performance, this Purchase Order will be construed and interpreted according to the Federal Common Law of Government Contracts as enunciated and applied by Federal Judicial Bodies, Boards of Contract Appeals, and Quasi-Judicial Agencies of the Federal Government. To the extent that the Federal Common Law of Government Contracts is not dispositive, the Laws of the State of Florida shall apply, exclusive of its rules concerning conflicts of laws.

**21. PROHIBITION OF GRATUITIES.**

a. Seller warrants that it and its agents and representatives have not offered or given, and will not offer or give, any gratuities in the form of entertainment, gifts, or otherwise to any officer or employee of Buyer or Buyer's customer with a view toward securing this or any other Purchase Order, any favorable treatment with respect to the awarding or amending of this or any other Purchase Order, or the making of any determination with respect to Seller's right or duties.

b. For any breach of Seller's warranty under this Clause, Buyer shall have, in addition to any other rights provided by this Purchase Order, the right to terminate all Purchase Orders with Seller for default, and to recover from Seller the amount of any gratuity, plus all reasonable costs (including attorney fees) incurred in seeking such recovery. (Seller is also advised that, if this Purchase Order is issued under a prime contract or subcontract of the U.S. Government, any gratuity covered by this Clause may also entail liabilities of Seller under applicable statutes or other provisions.)

**22. PRICING OF ADJUSTMENTS.** All adjustments, including but not limited to "equitable adjustments", under this Purchase Order shall be based upon Seller's costs, plus a reasonable profit unless profit is expressly excluded by language of the Purchase Order. Seller's costs shall be those that are reasonable, allowable, and allocable under the standards of Part 31 of the Federal Acquisition Regulation as in effect in the Prime Contract on the date of this Purchase Order.

**23. DISPUTES.**

a.1. If a decision on a question of fact is issued by the Contracting Officer under the Prime Contract "Disputes" clause and the decision relates to this Purchase Order, said decision, if binding upon the Buyer under the Prime Contract, shall also be binding upon Buyer and Seller with respect to this Purchase Order. However, if Seller is affected by such decision, and if Buyer elects not to appeal such decision under the "Disputes" clause of the Prime Contract, Buyer shall notify the Seller promptly. After receipt of such notice by Seller, if Seller submits a timely request to Buyer to appeal such decision, Buyer shall file an appeal. If Buyer appeals such decision, whether at its election or at Seller's request, any decision upon such appeal, if binding upon the Buyer under the Prime Contract, shall be binding upon the Buyer and Seller as it relates to this Purchase Order. THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS SHALL NOT APPLY TO THIS ORDER.

2. For any claims to be submitted under a.1. above in excess of \$50,000, the Seller shall certify to the Buyer, as to its portion of the claim, that: (a) the claim is made in good faith, (b) the supporting data are accurate to the best of Seller's knowledge and belief, and (c) the amount requested accurately reflects the Purchase Order adjustment for which the Seller believes the Government is liable.

3. If any such appeal is denied or otherwise decided adversely to Seller's interest, or if Seller is otherwise adversely affected by any decision made by any representative of the Government on any question of fact and/or law arising under the Prime Contract which is also related to this Purchase Order, from which an appeal under the "Disputes" clause in the Prime Contract, is not

available, said decision, if binding upon Buyer under the Prime Contract, shall in turn be binding upon Buyer and Seller with respect to such question as it relates to this Purchase Order; provided, however, if Seller is adversely affected by any such decision, and if Buyer elects not to bring suit against the Government with respect to such decision, Buyer shall notify Seller promptly. If Seller submits a timely request to Buyer to bring suit against the Government, Buyer shall start such suit. If Buyer brings suit against the Government with respect to any such decision, whether at its election or a Seller's request, a final judgment in any such suit, if binding upon Buyer under the Prime Contract shall in turn be binding upon Seller and Buyer under this Purchase Order with respect to the question decided as it relates to this Purchase Order.

4. If any such appeal or suit is taken or brought by Buyer, whether at its election or at Seller's request, Seller shall assist Buyer in its prosecution thereof in every reasonable manner and Seller shall be afforded reasonable opportunity to participate in the prosecution thereof to the extent Seller's interest may be affected. To the extent requested by Buyer, Seller shall prosecute for Buyer and appeal or suit taken or brought at Seller's request and, in such event, Buyer shall reasonably assist Seller. All cost and expenses incurred by Seller and Buyer in prosecuting any appeal or suit taken or brought solely at Seller's request shall be paid by Seller. Where possible, Buyer shall in good faith consult with Seller concerning the presentation to the Contracting Officer or other cognizant representatives of the Government of the questions referred to above to the extent they may affect Seller's interest.

5. If as a result of any decision or judgment which is binding upon Seller and Buyer, Buyer is unable to obtain reimbursement from the Government under the Prime Contract for, or is required to refund or credit to the Government, any amount with respect to any item of cost or fee for which Buyer has reimbursed Seller, Seller shall, on demand, promptly repay such amount to Buyer.

6. The rights and obligations herein shall survive completion of and final payment under this Purchase Order.

b. Pending the resolution of any dispute, the Seller shall proceed as directed by Buyer in writing.

c. Except as expressly set forth in this Document, in the associated Purchase Order, or as expressed in writing by the Buyer's Representative, and only if Buyer has received the U.S. Government Contracting Officer's consent, the Seller shall not make any direct claims or take direct course of action against the U.S. Government.

#### **24. EXCUSABLE DELAYS.**

a. Neither party shall be liable for any delay or failure of performance due solely to strikes, or other causes reasonably beyond its control and without its fault or negligence, provided that the party subject to such cause shall give written notice thereof to the other as soon as same could be anticipated, and if it could not be anticipated, promptly following the commencement thereof.

b. If Seller should be unable, due to such cause, to meet all its delivery commitments for the Goods ordered hereunder as they become due, Seller shall not discriminate against Buyer or in favor of any other customer in making deliveries of such Goods. Seller shall use its best efforts to anticipate the effects of such cause, to mitigate the effect of such cause and to make deliveries as expeditiously as possible.

c. If Buyer believes that the delay or anticipated delay in Seller's deliveries may impair its ability to meet its production or delivery schedules or may otherwise interfere with operations, Buyer may at its option, and without liability to Seller, cancel outstanding deliveries hereunder wholly or in part.

**25. INSOLVENCY.** Buyer may cancel this Purchase Order if Seller files a voluntary petition under any Federal or State Bankruptcy Act, or is adjudicated a bankrupt if Seller becomes insolvent or commits an act of bankruptcy or engages in any act which reasonably causes Buyer to deem itself insecure. Seller agrees to furnish written notification to

the Buyer listed on the Purchase Order within five (5) days of the initiation of any bankruptcy-related proceeding, whether voluntary or involuntary.

#### **26. DESIGN, TOOLS, DIES, ETC.**

a. Unless otherwise agreed herein, Seller at its cost shall supply all material, equipment, designs, drawings, tools and facilities required to perform this Order.

b. Any materials, equipment, designs, drawings, tools or other property furnished by Buyer or specifically paid for by Buyer shall be Buyer's property, shall be used only in filling orders from Buyer and may on Buyer's demand be removed by Buyer without charge. Seller shall use such property at its own risk and shall be responsible for all loss of or damage to the same or to any person while in Seller's custody. Seller shall, at his sole cost, store and maintain all such property in good condition and repair. Buyer makes no warranties of any nature with respect to any such property, which is furnished "AS IS".

c. Graphics arts and packaging Materials: All film negatives, positives, engravings, electrodes and dies made by Seller for the production of material of this Purchase Order will become the property of Buyer and be surrendered upon request.

d. Notwithstanding anything herein to the contrary, the provisions of this paragraph 26 do not apply to property owned by the United States Government. Disposition and use of government property shall be governed by applicable government regulations.

**27. SPECIAL U.S. GOVERNMENT PROVISIONS.** The provisions set forth in this Clause shall apply only if this order bears a U.S. Government contract number.

a. **Audits.** Seller agrees that its books and records and its plants or any such part thereof as may be engaged in the performance of this Purchase Order, shall at all reasonable times be subject to inspection and audit by any person designated by the head of any executive department of the U.S. Government.

b. **Quality Control.** Except as otherwise provided in this Purchase Order, Seller's system of Quality Control during the performance of this order shall be in accordance with the specifications as are required by Buyer's prime contract or higher tier order.
