## RAW MATERIAL SPECIFICATIONS

### REVISION HISTORY

REV.	EFFECTIVE DATE	NOTES
-	05/16/2012	Initial Release
The applicable revision of this document is determined by: <ul style="list-style-type: none"><li>• The revision specified on the purchase order, or</li><li>• The revision in effect at the time of the purchase order if no revision is listed on the purchase order.</li></ul>		

### REQUIREMENTS

Raw materials, procured by the supplier named on this purchase order for use in material delivered against this purchase order shall have objective evidence that applicable raw material specifications have been met. The supplier named on this purchase order shall have recorded data at their plant demonstrating applicable chemical and mechanical testing required by the material specification has been satisfied. The reports shall be directly traceable to the raw material used and shall be made available for GD-OTS review upon request.

**[4.35.A]** Raw material used must be from one heat lot / batch or the same manufacturing batch to be traced.
