

1. SQAR Number	SQAR-31
2. SQAR Revision	8
3. SQAR Title	Designated In-Process Inspection Points
4. SQAR Detail Description	
The QE or other designated representative may specify mandatory in-process source inspection hold points (during the RFQ process or prior to FAI). If such are required, the Supplier shall provide the QE or other designated representative with notification at least 7 business days in advance to allow the QE or other designated representative to schedule the required inspections.	
5. Disclaimer	
The following Supplemental Quality Assurance Requirement (SQAR) clause is a requirement when specified by number within the Request for Quote (RFQ), Purchase Order (PO), or Quality Assurance Document (QAD). In the event of conflict between the General Supplier Quality Assurance Requirements document, PAL 164, and a SQAR flowdown, the SQAR will always supersede. Flowdown of this SQAR to sub-tier suppliers is required to ensure final product compliance.
