100% Measurement of Key Process Characteristics

Revision History

REV.	CN #	DATE INCORP.	NOTES
-	78938	08/10/2021	Initial Release

Requirements

The Seller shall provide 100% measurement on those Key Process Characteristic features that are identified on the respective part number Key Process Characteristic Dimensional Test Results Excel spreadsheet provided by GD-OTS. The data must be submitted by lot number for each shipment in the provided spreadsheet in the native Excel file format. This submittal is in addition to any sampling data that is to be provided.
