

HYDRA-70 Certificate of Conformance

1. Supplier's name and address: **ACME Vendor**
2 Main Street
Williston, VT
2. GD-OTS Purchase Order (PO) number and Amendment: **PO# 395462 – Amend 02**
3. Part Number: **13428931**
4. Part Revision: **E**
5. Part Name: **Container, Expulsion**
6. Document (Drawing) Revision (with change notice(s)): **Rev D, CN_13428931-3**
7. Supplier's Lot Identification (e.g. lot number): **GDB16A100-01**
8. Last Manufacture Date (LMD)¹: **01/31/20**
9. Total Lot Quantity: **10,000**
10. Quantity in this Shipment²: **10,000**

Note 1: LMD is required for the purpose of tracking the length of time an item has been out of production. The LMD is the calendar day that the last non-inspection manufacturing operation was completed for the quantity of parts being delivered.

Note 2: Per Q-Clause Q751, partial shipments are not allowed without written approval from GD-OTS. If approval is granted, add a line to this certification stating the approval for a partial shipment and include the written approval in the certification package.

Note 3: Copy of the TDP Status Report to be submitted as part of this CoC.

I hereby certify that the Part Number (Item #) conforms to the above reference purchase order and TDP Status Report in all respects.

Printed name: John Doe

Title: Quality Manager, ACME Vendor

Signature:

Date: 03/02/2020

A copy of TDP Status Report shall be attached as part of this CoC.³
