Title
Supplemental Quality Assurance Requirements

Prepared By  Hope, Chastity (Niceville)
chastity.hope@gd-ots.com **Date** 9/21/2023

Activity Revision **Effectivity** Active Programs

Reason for Change
SQAR-22: Removed the list of events requiring a FAI to be completed as they are already list in the AS9102 standard. All suppliers are required to submit to the latest AS9102 standard.
Revised SQAR-16 to add reference to GD's customer when this requirement is flowed; realized need for clarification when revising PAL 128.
