Seller's signature in such case is required for administrative purposes only, however written acknowledgement and acceptance by Seller may be a requirement if listed on the Purchase Order. In the case that this Purchase Order constitutes an offer by Buyer, acceptance of this Purchase Order by Seller is expressly limited to the terms and conditions contained in this Purchase Order. Acceptance of this Purchase Order by Seller is expressly limited to the terms and conditions contained in this Purchase Order. Any term or condition stated by the Seller in any prior proposal, on Seller's acknowledgment form, or in otherwise acknowledging or accepting this Purchase Order is deemed by Buyer to be a material alteration of this Purchase Order and is hereby rejected unless Buyer specifically agrees otherwise in writing. Acceptance of the Goods or Services covered by this Purchase Order will not constitute acceptance by Buyer of Seller's terms and conditions. Any of the following acts by Seller shall constitute acceptance of this Purchase Order and all of its terms and conditions: Signing and returning a copy of this Purchase Order, delivery of any of the Goods or Services ordered, informing the Buyer in any manner of commencement of performance, or returning Seller's own form of acknowledgment.

3. PRICE, DELIVERY, AND INVOICING. Seller shall furnish the Goods or the Services in accordance with the prices and delivery schedule stated on the face of this Purchase Order. All prices shall include all applicable taxes, except sales taxes, which are to be separately shown where applicable.

Buyer shall not be billed at prices other than stated on this Purchase Order unless authorized by a Purchase Order Change Notice issued and signed by Buyer.

Buyer may return, or store at Seller's expense, any Goods delivered more than ten (10) days in advance of the delivery date specified for such Goods unless early delivery is authorized by the Buyer. If Seller fails to make shipment or delivery when due, or if any shipment or delivery is made which is not in all respects in accordance with this Purchase Order (including time of shipment or delivery), Buyer reserves the right to reject such delivery, and, if Buyer so elects, Buyer may treat this Purchase Order as repudiated by Seller and cancel it or any outstanding deliveries hereunder, without prejudice to Buyer's rights to claim damages or to enforce any other remedy provided by law. All expenses of transportation and storage, if any, resulting therefrom shall be for Seller's account.

Time is of the essence in the performance of this Purchase Order; Seller may be held liable for premium transportation costs if contract delivery schedule(s) are not met due to reasons determined by Buyer to be within Seller's control.

Invoicing: Seller shall invoice in triplicate, with supporting documentation with each shipment. An additional copy, with its support, is to be mailed directly to the Purchasing Representative. Payment of invoices shall not constitute acceptance of Goods or Services, and shall be subject to appropriate adjustment should Seller fail to meet the requirements for this Purchase Order. Buyer may set off any amount owed by Seller or Seller's affiliates to Buyer against any amount owed Seller by Buyer under this Purchase Order.

4. PACKING AND SHIPPING. No charge shall be made by Seller for packaging or storage unless specified on the face of this Purchase Order. All Goods shall be packaged, marked, and otherwise prepared as specified elsewhere in this Purchase Order and in accordance with good commercial practices to obtain lowest shipping rates. 5. F.O.B., TITLE, AND RISK IF LOSS. The F.O.B. point for the Goods delivered hereunder is designated on the face of this Purchase Order. If terms are F.O.B. Seller's location, Seller shall bear all risk of loss or damage to the Goods and title shall not shift to Buyer until delivery of the Goods to the carrier. If terms are F.O.B. Buyer's location, Seller shall bear all risk of loss or damage to the Goods and title shall not shift to Buyer until delivery of the Goods to Buyer's location. Nothing herein shall be construed to diminish Buyer's rights in the event of Seller's breach of its obligations under this Purchase Order.

6. INSPECTION.

a. Seller is responsible for performing or having performed all inspections and tests necessary to substantiate that the Goods conform to Purchase Order requirements. Seller shall tender for acceptance only Goods that have been found by the Seller to be in conformance with the Purchase Order requirements.

b. All Goods may also be inspected and tested by Buyer, its customers, higher tier contractors, and (in the case of Goods purchased for a Government contract or subcontract) the Government, at all reasonable times and places. If such inspection or testing is made on Seller's premises, Seller shall provide without additional charge all reasonable facilities and assistance for such inspections and test. In its internal inspection and testing of the Goods, Seller shall, if required by Buyer, use an inspection system accepted by Buyer in writing. All inspection records relating to the Goods shall be available to Buyer during the performance of this Purchase Order, and for such longer periods as may be specified by Buyer in its acceptance of the inspection system, if any.

c. Final inspection and acceptance by Buyer shall be at destination unless otherwise specified in this Purchase Order. Such inspection shall be in accordance with the stated requirements of this Purchase Order. If rejection of a shipment would result from Buyer's normal inspection level under such procedures, Buyer may, at its option, conduct an above-normal level of inspection, up to 100% inspection, and charge the Seller the reasonable costs thereof. Acceptance of a lot through sampling criteria specified herein shall not preclude Buyer's right to reject, or to exercise any other right or remedy it may have under this Purchase Order or by law with respect to, individual items that fail to comply with any requirement of this Purchase Order.

d. No inspection (including source inspection), tests, approval (including design approval) or acceptance of the Goods shall relieve Seller from responsibility for any defects in the Goods or other failures to meet the requirements of this Purchase Order, for latent defects, fraud, such gross mistakes as amount to fraud, and Seller's warranty obligations. If the Goods are defective or otherwise not in conformity with the requirements of this Purchase Order, Buyer may, by written notice to Seller: (i) rescind this order as to such Goods; or (ii) reject such Goods and require the delivery of replacements. Deliveries of replacements shall be accompanied by a written notice specifying that such Goods are replacements. If Seller fails to deliver required replacements promptly, Buyer may: (i) replace or correct such Goods and charge the Seller the cost occasioned Buyer thereby; or (ii) terminate this Purchase Order for cause as provided in Paragraph 18(b) hereof. Rights granted to Buyer under this Clause are in addition to any rights or remedies provided elsewhere in this Purchase Order or in law.

e. Seller shall be responsible for all of Buyer's costs, damages, losses, claims, causes of action, liabilities, and expenses, arising from any act or omission of the Seller, its employees, subcontractors, agents, officers, or suppliers resulting from failure to meet any of the requirements and/or specifications of this Purchase Order. Seller shall be responsible for, without limitation, additional inspections to ensure compliance where necessary, investigations into inspection failures, any penalties or costs incurred by Buyer as a result in delay in delivery, and remediation costs for defective Goods.

7. WARRANTIES.

a. If any warranty clause is incorporated below under Clause 37, Special U.S. Government Provisions, or in the Special Provisions, such warranty provisions are in addition to the provisions in this clause to the extent to which they are consistent. To the extent its provisions are inconsistent with this clause, the provisions of any warranty incorporated under Clause 37 or in the Special Provisions shall prevail.

b. In addition to all other express or implied warranties, Seller warrants that the Goods will be: (i) free from defects in workmanship and materials; (ii) free from defects in design except to the extent that such Goods comply with the detailed designs provided by Buyer; and (iii) in conformity with all the other requirements of this Purchase Order. c. Further provisions – All warranties shall run to Buyer and to Buyer's customer.

In addition to any other rights or remedies Buyer may have under this Purchase Order or at law, if Goods are found not to be as warranted within a period of one (1) year after acceptance by Buyer, Buyer may return such Goods to Seller at Seller's expense for correction, replacement, or credit, as Buyer may direct. Any Goods corrected or furnished in replacement shall from the date of delivery of such corrected or replacement Goods, be subject to the provisions of this Clause for the same period and to the same extent as Goods initially furnished pursuant to this Purchase Order.

In addition to any other rights Buyer may have, if the Services are found not to be performed as warranted within a period of one (1) year after the conclusion of the performance of the Services by Seller, Seller shall, at Buyer's option, either refund to Buyer the amount paid for the Services, or perform the Services again in a proper manner to the extent necessary to provide Buyer with the result originally contemplated by Buyer.

With respect to Goods found not to be as warranted, Seller shall bear the costs, if any, of inspection, disassembly, reassembly, retesting and any other similar costs incurred in connection with, or as a consequence of, correction, repair or replacement of Seller's Goods, including any such costs associated with assemblies into which Goods have been incorporated. Any Goods corrected or furnished in replacement shall, from the date of delivery of such corrected or replacement Goods, be subject to the provisions of this Clause for the same period and to the same extent as Goods initially furnished pursuant to this Purchase Order. Even if the Parties disagree about the existence of a breach of this warranty, Seller shall promptly comply with Buyer's direction to repair, rework or replace the Goods. If the Parties later determine that Seller did not breach this warranty, the Parties shall equitably adjust the price of the Goods under this Purchase Order.

All counterfeit parts received by Seller must be reported to Buyer immediately.

The remedies in this section shall apply regardless of whether the warranty period or guarantee period has ended, and are in addition to any remedies available at law or in equity. If Buyer and Seller have separately executed a written agreement regarding the protection and disclosure of information obtained by Seller from Buyer under this Purchase Order and such written agreement conflicts with this provision, then the terms of the written agreement shall control.

Seller shall not provide any proprietary information to Buyer, nor shall Buyer be required to take any steps to protect any information provided by Seller, unless Buyer and Seller have separately executed a written agreement regarding the protection and disclosure of such Seller information.

Such compliance is agreed to be a material element of the performance of this contract.

(b) Specific Areas. Without diminishing Seller's obligations under subparagraph (a), Seller agrees to the treatment of the specific areas of compliance as set forth in the following paragraphs:

(1) Cost or Pricing Data. Seller agrees that:

(i) if cost or pricing data, as defined in the Truth in Negotiations Act (Truthful Cost or Pricing Data) and implementing regulations, are required, or requested; and

The most current form applicable to Seller's situation may be obtained from the IRS at <http://www.irs.gov>. Seller's failure to provide a

current U.S. withholding certificate may result in potential delays of payment processing and/or U.S. tax withholding under FATCA or NRA provisions which otherwise may be unnecessary.

(c) Remedies.

(1) In addition to any other remedies provided under this Purchase Order or by law, if:

(i) Seller or its officers, employees, agents, suppliers, or subcontractors at any tier fails to comply with any applicable laws, orders, rules, regulations, and ordinances of government entities and, as a result

c. All work to be performed on this Purchase Order by Seller is at Seller's risk as to the methods, processes, procedures, and safe conduct of the work. If Seller is to perform work on the premises or within facilities owned or controlled by Buyer, Buyer's customer, or any other entity, Seller shall be solely responsible for the safe conduct of such work and the protection of the premises or facilities, and of any persons on the premises or facilities. Seller shall defend, indemnify, and hold harmless Buyer, its employees, agents, or subcontractors, and invitees for and against all losses, claims, damages, or suites, including those suffered or brought by Seller's employees, for bodily injury (including death) or property damage and which arise from performance of the work by Seller, its employees, agents, invitees, or subcontractors, irrespective of Buyer's negligence in any degree.

d. Seller, to the extent not covered by the foregoing paragraphs of this Clause, shall defend, indemnify, and save Buyer harmless, against and from any demands, decisions, judgments, orders, awards, costs and expenses, including attorney fees, arising from or incurred in connection with any claim, demand, or asserted right of Buyer's customer based on any act or omission by Seller under or in any way related to this Purchase Order or to any step leading to this award of this Purchase Order.

e. To the extent Seller is required by this Purchase Order to insure against loss or damage to property of Buyer or a customer of Buyer, (i) insurance policies of Seller shall disclose the interest of Buyer and Buyer's customer; (ii) those policies shall contain an endorsement that no cancellation or material change in the coverage adversely affecting the interest of Buyer or Buyer's customer shall be effective unless Seller or the insurer gives written advance notice of cancellation or change, and unless Seller has complied with such other direction as may be given by Buyer or Buyer's customer as applicable.

f. The Parties understand and agree that the Seller is an independent contractor to Buyer, and Seller shall be solely responsible for providing its employees and/or agents with Worker's Compensation insurance as required by the jurisdiction governing Seller at the time work is performed under this Purchase Order. Seller shall maintain no less coverage than what is required under applicable law or regulation, and shall hold harmless, indemnify

and defend Buyer from claims by Seller's employees and/or agents for injuries, or aggravation of existing injuries, sustained in connection with work being performed under this Purchase Order.

13. ASSIGNMENT. Seller shall not assign this Purchase Order or any rights under this Purchase Order without the prior written consent of Buyer, and no purported assignments by Seller shall be binding on Buyer without such written consent.

14. NOTICE OF LABOR DISPUTES. Whenever an actual or potential labor dispute delays, or threatens to delay, the timely performance of this Order, Seller shall immediately notify Buyer in writing of all relevant information with respect to such dispute.

15. RETENTIONS. Buyer may, at its option, withhold payment of up to ten percent (10%) of the total value of this Order or individual invoices until Seller satisfactorily fulfills all documentation requirements herein; i.e., provides all required objective quality evidence, submits required data items, and fulfills all other reporting requirements.

16. PUBLICITY. Seller shall not make or authorize any news release, advertisement, or other disclosure which shall deny or confirm the existence of this Purchase Order without prior written consent of Buyer.

17. CHANGES. This Purchase Order and the terms and conditions herein may not be changed in any respect without written approval or direction of Buyer's Representative. Buyer may, at any time, by written change order, suspend performance of this Purchase Order, in whole or in part; make changes in the drawings, designs, specifications, method of shipment of packing, or time or place of delivery of the Goods; reschedule the Services; or require additional or diminished Goods or Services, and Seller shall proceed diligently with the performance of this Purchase Order as so changed irrespective of whether a price adjustment has been determined as provided by this Clause. If Seller deems any instruction or direction by or on behalf of Buyer to be a change to this Purchase Order, it must so notify Buyer in writing within seven (7) days of the receipt of such instruction or direction. If any such change causes an increase or decrease in the cost of or the time required for performance of this Purchase Order and Seller makes a proper and timely request, an equitable adjustment shall be made in the Purchase Order or delivery dates or both, and this Purchase Order shall be modified in writing accordingly. Any equitable adjustment for suspension or interruption of, or delay in, Seller's performance shall exclude profit. Any claim for adjustment under this Clause may, at Buyer's option, be by Seller deemed to be absolutely and unconditionally waived unless asserted in writing (including the amount or the claim) and delivered to Buyer within thirty (30) days from the date of receipt by Seller of the change order, except where an extension is granted in writing by Buyer. If the cost of property made obsolete or excess as a result of a change is paid by Buyer, Buyer may prescribe the manner of disposition of such property. Buyer's engineering and technical personnel are not authorized to change the Goods or Services ordered or any other provision of this Purchase Order. No change order will be binding on Buyer unless issued by an authorized representative of Buyer's procurement department. Nothing in this Clause shall excuse Seller from proceeding with the Purchase Order as changed.

18. TERMINATION. NOTE: If this purchase order relates to a Government contract, delete subparagraphs a & b (below) and substitute FAR 52.249-6 Termination (Cost Reimbursement).

a. Without Cause. Buyer may terminate, for its convenience, all or any part of this Purchase Order at any time by written notice to Seller. Upon such termination settlement shall be made in accordance with the principles contained in Federal Acquisition Regulation (FAR) 52.249-6, Termination (Cost Reimbursement) in effect as of the date of this Purchase Order, and in which "Contracting Officer" means Buyers' Purchasing Representative and Government means "Buyer" except in paragraph (m) except that Seller must submit any claim for equitable adjustment or termination to Buyer within forty-five (45) days after the effective date of termination, or such claim shall be absolutely and unconditionally waived. All references to and the right of appeal under the Disputes Clause of FAR 52.249-6 are hereby deleted.

b. With Cause. If Seller fails to make delivery of the Goods, or fails to perform the Services, in accordance with the delivery dates specified in this Purchase Order, or fails to make progress so as to endanger performance of this Purchase Order in accordance with its terms, and does not cure such failure within ten (10) days after notice from the Buyer, Buyer may (in addition to any other right or remedy provided by this Purchase Order or by law) terminate all or any part of this Purchase Order by written notice to Seller without liability and purchase substitute goods elsewhere, and Seller shall be liable to Buyer for any excess cost occasioned Buyer thereby. Seller shall continue performance of this Purchase Order to the extent not terminated pursuant to this Clause 18(b). Except with respect to defaults of subcontractors at any tier, Seller shall not be liable to Buyer if the failure to perform this Purchase Order arises out of causes beyond the control and without the fault or negligence of the Seller. If the failure to perform is caused by the default of a subcontractor at any tier, and if such default arises out of causes beyond the control of both the Seller and subcontractor, and without the fault of negligence of either of them, the Seller shall not be liable to Buyer unless the Goods or Services to be furnished by the subcontractor were obtained from other sources in sufficient time to permit the Seller to meet the requirements of this Purchase Order.

If this Purchase Order is terminated as provided in this Clause 18(b), the Buyer, in addition to any other rights provided herein, may require the Seller to transfer title and deliver the Buyer (i) any completed Goods, and (ii) such partially completed Goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights as the Seller has specifically produced or specifically acquired for performance of this Purchase Order.

If, after notice of the termination of this Purchase Order "with cause," it is determined that the failure to perform is due to causes totally beyond the control and totally without the fault or negligence of the Seller, such notice of default shall be deemed to have been issued pursuant to Clause 18(a) hereof, and the rights and obligations of the parties hereto shall be governed by Clause 18(a).

19. NO WAIVER; SEVERABILITY. The failure of Buyer to insist upon the performance of any provision of this Purchase Order, or to exercise any right or privilege granted to the Buyer under this Purchase Order, shall not be construed as waiving such provision or any other provision of this Purchase Order, and the same shall continue in full force and effect. If any provision of this Purchase Order is found to be illegal or otherwise unenforceable by any court of other judicial or administrative body, the other provisions of this Purchase Order shall not be affected thereby, and shall remain in full force and effect. Where this Purchase Order provides rights and remedies to Buyer, such rights and remedies shall be in addition to any other rights and remedies provided at law or elsewhere in this Purchase Order and shall not be construed as Buyer's exclusive rights or remedies.

20. AMENDMENTS AND APPLICABLE LAW. No agreement or understanding to modify this Purchase Order shall be binding upon the Buyer unless in writing and signed by Buyer's authorized agent. All specifications, drawings, and data submitted to Seller with this Purchase Order are hereby incorporated herein and made a part hereof. Irrespective of the place of performance, this Purchase Order will be construed and interpreted according to the Federal Common Law of Government Contracts as enunciated and applied by Federal Judicial Bodies, Boards of Contract Appeals, and Quasi-Judicial Agencies of the Federal Government. To the extent that the Federal Common Law of Government Contracts is not dispositive, the Laws of the State of Florida shall apply, exclusive of its rules concerning conflicts of laws.

21. PROHIBITION OF GRATUITIES.

a. Seller warrants that it and its agents and representatives have not offered or given, and will not offer or give, any gratuities in the form of entertainment, gifts, or otherwise to any officer or employee of Buyer or Buyer's customer with a view toward securing this or any other Purchase Order, any favorable treatment with respect to the awarding or amending of this or any other Purchase Order, or the making of any determination with respect to Seller's right or duties.

b. For any breach of Seller's warranty under this Clause, Buyer shall have, in addition to any other rights provided by this Purchase Order, the right to terminate all Purchase Orders with Seller for default, and to recover from Seller the amount of any gratuity, plus all reasonable costs (including attorney fees) incurred in seeking such recovery. (Seller is also advised that, if this Purchase Order is issued under a prime contract or subcontract of the U.S. Government, any gratuity covered by this Clause may also entail liabilities of Seller under applicable statutes or other provisions.)

22. PRICING OF ADJUSTMENTS. All adjustments, including but not limited to "equitable adjustments", under this Purchase Order shall be based upon Seller's costs, plus a reasonable profit unless profit is expressly excluded by language of the Purchase Order. Seller's costs shall be those that are reasonable, allowable, and allocable under the standards of Part 31 of the Federal Acquisition Regulation (and, if this Purchase Order is issued under a contract or subcontract with any Department of Defense entity, Part 231 of DFARS) as in effect in the Prime Contract on the date of this Purchase Order.

For any claims seeking an equitable adjustment or other relief in excess of \$100,000 submitted by Seller under this Purchase Order, the Seller shall submit to Buyer a signed certificate that states as follows, substituting Seller's legal name where indicated: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the Purchase Order adjustment for which [the Seller] believes General Dynamics Ordnance and Tactical Systems is liable; and that I am duly authorized to certify the claim on behalf of [the Seller]." If requested by Buyer, Seller shall identify the portion of its claim for which it believes the Government is liable and shall execute the certification above, substituting "the Government" for "General Dynamics Ordnance and Tactical Systems" as to such amount. **UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS SHALL NOT APPLY TO THIS ORDER.**

b. Government Decisions. If a final decision is issued by a Contracting Officer for Buyer's Contract (or the Prime Contract under which Buyer's Contract is issued) and the decision relates in any way to this Purchase Order or to the Goods or Services ordered hereunder, said decision, if binding upon the Buyer, shall also be binding upon Buyer and Seller with respect to this Purchase Order. If Buyer appeals or commences an action regarding such decision, any decision upon such appeal or action, if binding upon the Buyer under the Prime Contract, shall be binding upon the Buyer and Seller as it relates to this Purchase Order. If any appeal is taken or an action commenced by Buyer, Seller shall assist Buyer in its prosecution thereof in every reasonable manner and otherwise fully cooperate with Buyer at Seller's own expense.

If, as a result of any decision or judgment binding upon Buyer, Buyer is unable to obtain reimbursement from the Government (or Buyer's customer) for, or is required to refund or credit to the Government (or Buyer's customer), any amount with respect to which Buyer has paid Seller, Seller shall, on demand, promptly repay such amount to Buyer. In no event shall Buyer be liable to Seller for any Claim submitted by Seller that the Government rejects.

c. Resolution of Other Disputes. Any dispute between Buyer and Seller that is not resolved pursuant to the provisions of this Purchase Order or through discussions between the parties may be resolved through legal action. The Parties covenant and agree that any and all actions arising out of or related to this Agreement shall be brought and maintained in the federal and state courts sitting in Hillsborough County or Pinellas County, Florida, and Seller and Buyer irrevocably consent and submit to the exclusive jurisdiction of and the service of process for such courts for any and all actions arising under or relating to this Purchase Order. **THE PARTIES HEREBY IRRECOVABLY WAIVE ANY AND ALL RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN ANY ACTION ARISING OUT OF OR RELATING TO THIS PURCHASE ORDER.**

d. Seller to Continue Performance. e. Seller shall not make any direct claims or take direct course of action against the U.S. Government.

24. EXCUSABLE DELAYS.

a. Buyer shall not be liable for any delay or failure to perform if the delay or failure to perform arises from causes beyond the control and without the fault or negligence of Buyer. Examples of such causes Seller shall not be liable for any excess costs if the failure to perform this Purchase Order arises from causes beyond the control and without the fault or negligence of Seller. Examples of such causes include: (1) acts of God or of the public enemy, (2) acts of the Government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather.

Seller shall use its best efforts to anticipate the effects of such cause, to mitigate the effect of such cause and to make deliveries as expeditiously as possible. If Buyer believes the failure, delay, or anticipated delay in Seller's performance may impair Buyer's ability to meet Buyer's production or delivery schedules or otherwise interfere with Buyer's operation, Buyer may, at its sole option and without liability to Seller, cancel remaining deliveries in whole or in part.

25. INSOLVENCY. Buyer may cancel this Purchase Order if Seller files a voluntary petition under any Federal or State Bankruptcy Act, or is adjudicated a bankrupt if Seller becomes insolvent or commits an act of bankruptcy or engages in any act which reasonably causes Buyer to deem itself insecure. Seller shall use such property at its own risk and shall be responsible for all loss of or damage to the same or to any person while in Seller's custody. Seller shall, at his sole cost, store and maintain all such property in good condition and repair. Buyer makes no warranties of any nature with respect to any such property, which is furnished "AS IS".

c. Buyer shall have no liability to Seller for any delays or failures in the delivery of material, including information, furnished by Buyer to Seller under the Purchase Order ("Buyer-Furnished Items"). If Buyer-Furnished Items are not delivered to Seller in sufficient time to enable Seller to meet delivery dates, Seller may notify Buyer of the delay and shall be entitled to an extension of such equal to the period of delay.

Seller's obligation to adhere to the ITAR shall survive the expiration or termination of this Purchase Order. Seller hereby agrees to defend and indemnify Buyer from and against any liability which Buyer may incur as a result of Seller's violation of any U.S. export or re-export control law or regulation.

LIMITATION OF LIABILITY, NOTWITHSTANDING ANY PROVISION OF THIS AGREEMENT TO THE CONTRARY, UNDER NO CIRCUMSTANCES SHALL BUYER BE LIABLE TO SELLER (i) FOR ANY PUNITIVE, EXEMPLARY OR OTHER SPECIAL DAMAGES ARISING UNDER OR RELATING TO THE PURCHASE ORDER OR THE SUBJECT MATTER HEREOF OR (ii) FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOSS OF USE, GOODWILL, INCOME, PROFITS OR ANTICIPATED PROFITS, BUSINESS OR BUSINESS OPPORTUNITY, SAVINGS, DATA, OR BUSINESS REPUTATION) ARISING UNDER OR RELATING TO THIS PURCHASE ORDER OR THE SUBJECT MATTER HEREOF, REGARDLESS OF WHETHER SUCH DAMAGES ARE BASED IN CONTRACT, IN TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), UNDER WARRANTY, OR ANY OTHER THEORY, AND REGARDLESS OF WHETHER BUYER HAS BEEN ADVISED OF, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES. THIS PROVISION SHALL SURVIVE ANY TERMINATION OR EXPIRATION OF THIS AGREEMENT FOR ANY REASON.
